Mission Objectives

Mission: Strings is a string preparatory program for children in grades 3-5 who have a desire to learn to play an orchestral string instrument (violin, viola, cello, bass).

The primary purpose of *Mission: Strings* is to offer a comprehensive music education with the emphasis on orchestral string instruments to as many children grades 3-5 in the Big Country who otherwise do not get the opportunity outside of private lessons to play a string instrument. Members of *Mission: Strings* will have the opportunity to continue their musical training through the excellent musical education and private instruction available in our Big Country Schools and pursue their symphonic training and performance opportunities through placement in the Abilene Youth Orchestra.

Mission: Strings strives to offer children of the Big Country a chance at gaining musical knowledge and exploring artistic expression through carefully conceived curriculum selected and instructed by gifted and experienced music educators. The organization does not discriminate on the basis of race, color, national origin, religion, gender, sexual orientation, or economic status.

Attendance

Mission: Strings is a year long commitment and it is expected that members attend ALL lessons and showcases/performances. Consistency is paramount when learning a new skill and each week new and vital material will be introduced.

Students should be in their assigned seat at least five minutes before each lesson begins. If you know you will be absent, please fill out the ABSENCE FORM found in the members only portion of our website. In case of unexpected illness or emergency, the student should contact Susie Rockett at 325-677-6710/817-372-1830.

Please remember that *Mission: Strings* members are guests at Abilene Christian University and are expected to act accordingly. Please show respect for the private property of others and the University.

Tuition

Tuition for *Mission: Strings* is \$150 for the entire year. Tuition can be paid by semester (\$75 fall/spring) or in full either by check or with a credit card on our website.

Instrument Selection/Rentals - Sunday, August 29th 2:30pm-5:30pm

ACU Choir Room in the Williams Performing Arts Center

When it comes to string instruments, the shiny/pretty ones are not always the best sounding instruments. If you have a question about an instrument, please contact the *Mission: Strings* Director, Candi Ice. There are advantages to knowing how well they handle repairs and trade-in value when you are ready for the next size or step up level. To ensure you are getting a quality instrument, the director has final say on whether an instrument is suitable for class and performance use. Please do not rent or purchase an instrument that is any other color than the original wood grain.

PLEASE DO NOT RENT or PURCHASE AN INSTRUMENT from any source not listed above without being advised by our Director - Candi Ice.

Expectations

1. Make sure you arrive with your instrument, lesson book, and completed assignments to each lesson.
2. Always be punctual. To be on time is LATE, to be early is ON TIME!
3. Have a pencil on your stand at all rehearsals.
4. Listen quietly when instructions are given.
5. Do not tap feet or cross legs/ankles.
6. Make sure fingernails are clipped. (No artificial nails!)

Parent/Guardian Participation

Parent/guardian interest and active involvement of the child's support system enhances complete development of a student's musical ability. *Mission: Strings* asks parents/guardians to:

1. Encourage students to complete practice missions at home each week and listen to any music they are assigned.
2. Drop off and pick up students on time. (10-15 minutes early is a good idea so they have time to get to their seats and get their instruments ready.)
3. Attend all concerts and support our *Mission: Strings* musicians.

Showcase/Concert Dress - *Mission: Strings* shirt, black pants, black socks, black shoes
